Special thanks goes to the referee administration. Due to all the hard work of Dick Triche, Sam Guhlani, Josef Zevi, and Saki, all the games were covered. I had many compliments on the quality of refereeing. I think that paying the referees at the field was a big hit.

Frieda Stockton from RRWSL did a superb job of coordinating all aspects of the tournament. Between Frieda, Jen Fudge, and Tama Theis, all games were covered with commissioners. I can honestly say this is the first time I did not have to check a team in. It was wonderful. The venue was great with nice fields and nice facilities. I would like to thank all the volunteers who helped with the commissioning. A special thanks goes to Frances Dodson for all the extra hard work she did the whole weekend. Without hard working volunteers, the State Cup could not be the success that it is. You are all wonderful.

Hopefully Round Rock will want to host again next year. I know that everyone was satisfied with the fields, hotels, and general area.

Thanks again ladies, you are the best!
